EMOTION

EMOTION is a fully panoramic, maximal transparency, modern designed refrigerated counter. EMOTION makes a strong first impression, which leads to excellent product visibility and enhanced merchandising. EMOTION counters are suitable for displaying hot and cold deli, meat, pastry and much more.

EMOTION counters are design with high quality front glass opening system – downward tilting from the top, without any visible metal hinges. All glass surfaces are easy to clean and maintain. Vertical evaporator position at the back of the counter allows **easy cleaning of the base tank**.

Advanced controllers for optimal operation, electronic expansion valve and electronic controlled fans, which ensure maximum energy efficiency

and **low energy consumption** makes EMOTION counter as best choice for every store.

Temperature class: M0 / M1 / M2

Refrigerant: R744 or HFC

EMOTION Serve Over and **Self-Service counters** have same design as semi-vertical cabinet EMOTION SV generating **a harmonized and engaging refrigeration line**.

STANDARD EQUIPMENT

- Interior display deck completely in stainless steel
- Canopy LED lightning (colour adapted to food group)
- Stainless steel working table
- High efficiency EC fans
- Electronic expansion valve
