VERTICAL CABINETS

RETAIL SYSTEM | PRODUCT

OPEN OR DOORS

- Member of unified HORIZON design line – clean and aestaetic look
- Low front base – maximized total display area
- Evaporator at the back – empty base allows easy cleaning
- Stainless steel base – longer lifetime

HORIZON

HORIZON is a full height vertical refrigerated cabinet with low front base which offers a huge display area. Elegance and modern external design guarantees excellent preservation and maximum visibility of the product in all temperature classes. HORIZON cabinet provides **low energy consumption**, maximum visibility of the products and perfect cooling performance. Evaporator position at the back of the cabinet allows easy cleaning of the base tank.

HORIZON has large selection of configuration including **WINE** and **ROLL-IN version**. HORIZON WINE cabinet belongs to the premium class of refrigerated furniture with mirror effect and special designed stainless steel

shelves. It is ideal to display bottles at an optimal temperature.

Refrigerant: R744 or HFC

HORIZON cabinets have unified design, base and bumper height, aligned with **NEPTUN H**, **NEPTUN COMBO H** and **COMET H**, perfect for side by side placement, **a harmonized and engaging refrigeration line.**
