

NEPTUN

NEPTUN COMBO

LOW TEMPERATURE CABINET

- Low temperature combined cabinet, available in SKY (S) and Horizon (H) design line
- Great capacity - displayed volume and floor space occupation
- Equipped with 2 evaporators top/bottom section for perfect freezing performance

Combined cabinet NEPTUN COMBO is combination of display and storage and it is ideal for selling frozen foods. Horizontal and vertical product presentation offers large volume capacity and easy access. Fully equipped with LED lighting, this cabinet offers maximum visibility of displayed products.

Additional dividers at the bottom part of the NEPTUN COMBO enable a transparent classification of goods. This combined cabinet is equipped with **electronic expansion valve and electronic controlled fans**. Both, vertical and horizontal part of the cabinet have

their own evaporator and advanced controller to ensure optimal operation and **maximum energy efficiency with low energy consumption**.

Temperature class: L1

Refrigerant: R744 or HFC

NEPTUN COMBO S cabinets have unified design, base and bumper height, aligned with SKY, NEPTUN S and COMET S, perfect for side by side placement, a **harmonized and engaging refrigeration line**.
