

REFRIGERATED CONVERTIBLE COUNTER

- **Easy transition from self-service to serve-over version** – fast and effortless
- Elegant design with – high visibility of products
- Possibility of tailor made finishing – materials and colours
- Evaporator at the back – empty base allows easy cleaning and better cold air circulation
- Stainless steel base – longer lifetime
- Wide range of accessories

PASSION

PASSION is the most favorable counter with stainless steel inner surface, variable glass and base decoration options.

PASSION, **elegant and trendy**, offers excellent visibility of the presented products and optimal functional solutions. Vertical evaporator position at the back of the counter allows easy cleaning of the base tank.

The possibility of a sophisticated and **easy change from serve over to self-service** makes PASSION most desirable and convenient counter, as this dual functionality enables the display case to be adapted to the needs without major technical interventions.

PASSION has advanced controllers for optimal operation, electronic expansion valve and electronic controlled fans, which ensure maximum energy efficiency and **low energy consumption**.
