SKY WINE

SKY WINE cabinet is part of our **premium class refrigerated furniture**. Elegant and modern designed cabinet ensures an appealing presentation of liquor and provides an optimal display conditions. Specially designed stainless steel shelves give your bottles the perfect stage. LED illuminated cabinet with mirror effect enriches bottles' appearance, making presented beverage radiant and desirable. Elegant full height frameless glass doors with transparent handles provide full visibility. Eye-catching and engaging features make SKY WINE cabinet a true show stopper.

The design of SKY WINE is aligned with NEPTUN S, NEPTUN COMBO S and COMET S, perfect for side by side placement, generating a harmonized and engaging refrigeration line.

SKY WINE is available in **Remote** and **Plug&Play** version.
