ISLANDS

RETAIL SYSTEM | PRODUCT

ISLAND OR WALL INSTALLATION

- Low temperature island cabinet
- Large storage space inside
- Modern squared design
- Sliding glass lids closure system
- Maintenance-free
- Easy product access
- Easy to clean

GANIMED XL P&P

GANIMED XL is a plug-in island cabinet with innovative design and environmentally friendly **no-frost** technology. This island is an optimal solution for displaying and storing frozen products, with easy access.

Modern squared design with glass cover increases visibility, which is additionally supported by LED lighting inside the cabinet. This No-Frost cabinet is equipped with **hot gas** automatic defrost system. By performing the defrosting process with hot gas in the system, it provides maximum efficiency. It is maintenance-free thanks to dust-repellent condenser system. Easy to clean due to the rounded inner corners and drain plug. It uses its energy economically without compromising the cooling rates in its chamber.

CUSTOMIZATION

- Variable speed compressor
- Second line bumpers
- Kickplate
- Positive temperature version
- Dual mode temperature regime

Accessories: Price Label, Grid separators (Set), Grid Baskets, Castors (4 Pcs), Island middle sheet price holder

GANIMED XL island can be installed next to the wall as well, which makes this island a perfect solution for any store layout. This island cabinet is also available in version with **positive** and **dual mode temperature** regime.

Temperature class: L1 / M1 / Dual mode

Refrigerant: R290

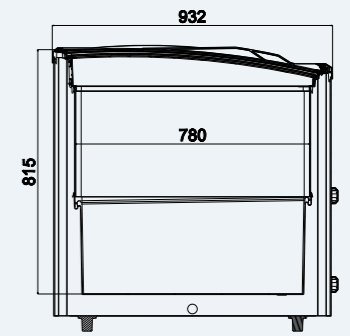

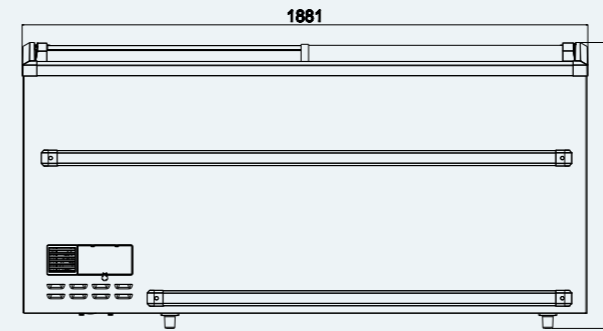

STANDARD EQUIPMENT

- LED lighting
- Front bumper
- No frost
- Curved-tempered-Low-E Glass
- Dust-free/Maintenance Free Condenser
